

**City of Falls Church Environmental Sustainability Council  
Energy Transition Subcommittee**  
will host an  
**Informational Meeting on  
Autonomous Shuttle Services**  
at  
**City Hall, 300 Park Avenue, Falls Church, VA 22046  
Dogwood Rooms A&B**  
on  
**Friday, January 31<sup>st</sup>, 2020  
9-11 a.m.**

*City Council and all Board and Commission members have been invited and may be present.*

BEEP, a Florida-based autonomous shuttle company, have offered to do an informational presentation on current autonomous vehicle technologies and their possible applications in the City of Falls Church. The Environmental Sustainability Council Energy Transition Subcommittee will host a daytime meeting in City Hall to enable interested parties to learn more about this sustainable transportation mode.
