 - A. Discussion of CBC Youth Rep Program: The board discussed aspects of participating in the CBE Youth Rep Program.
 - **Motion:** Linda moved and Renee seconded that we agree that we are not prepared to commit to the CBC Youth Rep Program at this time because we need more information and internal board discussion including discussion with school officials and ELECT to see if this particular program is feasible and also to explore additional and/or alternative ways to increase student involvement in elections. Motion passed by unanimous vote.
 - B. June Primary: We have received official word that there will not be a Democratic primary in June.
