

Summer Camp Mask/Face Covering Requirements

All summer camp programs operated by the Recreation and Parks Department and our camp partners will adhere to the following face covering requirements:

- ❖ All campers are required to wear a mask or cloth face covering when in a public and/or shared space. This includes;
 - During the check-in process
 - During times of transition
 - Entrance to the camp location (classroom, gym, field, park, etc.)
 - From one camp location to another (field to gym, park to building, etc.)
 - To and from the restrooms
 - Inside restrooms
 - From the camp location to the exit
 - When entering/exiting bus transportation (if applicable)
 - Whenever a minimum social distance of six feet (ten feet during increased activities) cannot be maintained indoors or outdoors

- ❖ When in an indoor camp location and maintaining social distance, campers are **strongly encouraged** to wear a mask or cloth face covering.

- ❖ When at an outdoor camp location and maintaining social distance, campers do not need to wear a mask or cloth face covering.

- ❖ Please note that all camp staff are required to wear a mask or cloth face covering at all times when indoors, when in a public or shared space, and when outdoors and unable to maintain social distance.
