Accessing Teams – New Users

Smartphone: If you plan to view the meeting on a smartphone, access your preferred app store to download the “Teams” app. You will have to allow Teams access to some features on your phone and accept their terms and conditions.

PC/Windows: If you plan to view the meeting on a personal computer, visit www.microsoft.com to download and install the program. You will have to allow Teams access to some features on your computer and accept their terms and conditions.

After downloading Teams:

Click the advertised meeting link to join the Teams meeting.

When the app opens, click ‘Join now’.

The meeting will start with your microphone and video features turned off. As an observer, you can view or listen to the meeting without these features. If you are a meeting participant, you should enable at least the microphone feature. Video is not required but may be useful. Depending on your role in the meeting, there may be restrictions on whether you can speak during the meeting.
