I. RFP QUESTIONS AND ANSWERS

Q.1 If the program is remote, can students register who are located outside of Fairfax County?

A.1 Yes. We are the City of Falls Church which is independent of Fairfax County. Either way, there are no residency requirements to enroll in our classes. Non-City of Falls Church participants pay an additional \$20 non-resident fee. The City retains 100% of the nonresident fee.

Q.2 Is there a maximum of how many students sign up? For example, if a Contractor can accommodate 100 students for a remote class would the County cut off registration at a certain number of students?

A.2 Yes. There would be a maximum. It would depend on the class. We (the City) would want to ensure a manageable number of participants for participant engagement.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED AND IN FULL FORCE & EFFECT.

Contractor must take due notice and be governed accordingly. This Addendum is considered a part of the above referenced solicitation.
