Instructions

The Olom-Porzel Memorial Scholarships Fund is administered by the Friends of Argus and Aurora House (FOAAH) which is a 501(c)(3) nonprofit organization subject to applicable IRS rules. Scholarships are awarded twice annually at scheduled Aurora House Citizens' Advisory Committee (CAC) meetings in July and November. Applications must be submitted to Aurora House staff by June 15 for the fall semester and October 15 for the spring semester. **The Committee may, at its sole discretion, review applications outside of this schedule.** Applications and amounts must be approved by a majority of voting members at any regularly scheduled CAC meeting according to the following guidelines:

- Scholarships will only be awarded to individuals who attended Aurora House and successfully completed the program.
- All scholarships are merit-based and applicants are not required to provide proof of financial aid.
- Scholarships may be renewed. Any applicant who has received a prior scholarship award must provide a transcript with the course information and grades from the prior term; an unofficial one is acceptable.
- Scholarships will only be granted for attendance at an accredited vocational program, community college, state or private college or university. Applications to attend a for-profit college will be considered by the CAC, however, applicants may be required to provide additional justification that the proposed course of study is not readily available elsewhere.
- Scholarships for prospective admission will be paid to the applicant's school and can be used for tuition and/or books. Payment will be forwarded upon proof of enrollment.
- **It takes approximately 30 days for payments to be processed once the application has been approved.**
