## **2019 Summer Fun Playground Program Counselor in Training Information and Questionnaire**

The City of Falls Church Counselor in Training (CIT) Program assigns youth volunteers to our Summer Fun Playground Program. Applicant must be at least 13 by June 17, 2019.

The Summer Fun Playground program operates for eight weeks from June 17 through August 9. Campers are rising 1<sup>st</sup> – 6<sup>th</sup> graders and participate in activities such as arts and crafts, sports, swimming, field trips and more. CIT's assist camp counselors and the camp director with daily activities such as preparing arts and crafts projects, supervising and assisting campers with activities, and being a good leader. Volunteering as a CIT is a fun way to gain experience working with children, a sense of responsibility and leadership skills.

Upon receiving applications, applicants will participate in an interview held in April. Spaces are limited for the program and we are not able to accept every applicant. Applicants will know by May 3 if they have been selected and registration for new CITs will begin on May 6, 2019. We allow a maximum of 18 CIT's per week. Returning CITs have one week of early registration to choose their weeks first.

CIT's are expected to attend training sessions in June and volunteer for a minimum of four weeks of camp.

The fee to be a CIT is \$35/week. This fee includes the cost of weekly field trips and camp shirts. Payment will be collected after participants are selected, at the time of registration.

All students who are interested in becoming a CIT should complete the CIT questionnaire (back of this page) and return it by March 29, 2019. Completed questionnaires should be submitted to:
