

Open Gym Schedule

GYM Times are subject to change.

Last Update d: 4/27/21

Open gym registration is currently for City residents on Wednesday evenings and Saturday afternoons this May.

[Register for an open gym timeslot online.](#)

Use:

- Registration is by household - each of the four baskets will be reserved to a household. Admission into the building is permitted only to individuals residing in the same household. Friends, neighbors, non-residing family are not permitted into the building. Play across different households/baskets is not permitted. Individuals entering the building for open gym will be stopped prior to entry for a health check.
- Each section is for a specified timeslot, which will permit up to 4 enrollments. Recreation and Parks Department staff will assign each of the four registrants to a basket. Only register one family member. That will assign one basket to your household.

Health check/screening prior to entry-

All persons participating classes/programs, including open gym, will be required to participate in a daily health screening prior to entry. Participants will not be permitted in the building if they:

- Have a temperature of 100.4 or higher or have, within the last 12 hours, taken any medication that would lower their temperature.
- Have a cough or shortness of breath.
- If anyone in their household is known to have COVID-19 at any time within the past 14 days or if they are aware of having close, personal contact with a COVID-19 positive individual in the past 14 days.
- Staff have contactless thermometers, which can be used if a participant did not take their temperature prior to arrival. Staff will also observe all participants for watery eyes, coughing, sneezing, etc.
- A parent/guardian must arrive to the building with minors participating in open gym so they can sign the health check documentation.
